B. Department of Agriculture Trainings

The department of Agriculture has sponsored 5 number of training programs in which 243 officers /officials/ ministerial staff were trained. The detail of training programme is given below.

Sr. No.	Title of Course	Category of participants	Number of participants	Gender		DAYS	Man Days	Remarks
				M	F			
1.	Ad-hoc committee meeting for departmental officers, 1 June 2023	Agri. Officers	119	109	10	1	119	DAHP
2.	Training Programme on GIS for cluster mapping under HIMUNATI Yojna, 5-7 June 2023	Officers of Agri. / Hort/Fisheries Deptt.	37	27	10	3	111	DAHP In collaboration With GIZ
3.	Training Programme on e-Governance / e-Office, 25- 27 July 2023	Agri. Extension officers/ Ministerial Staff	38	38	0	3	114	DAHP, Shimla
4.	Training Programme on Digital Transfer of Subsidies, 15-16 September 2023	Agri. Officers	26	18	8	2	52	DAHP, Shimla
5.	Training Program on Digital Transfer of Subsidies, 22-23 September 2023	Agriculture Office	23	23	0	2	46	DAHP, Shimla
Total Nos. 5			243	215	28	11	442	

The United Nations had declared 2023 as “**International Year of Millets**” to create awareness about millets. Keeping in view, a practical training on Preparation of Millets Recipes was also organized for both women agriculture officers and progressive women farmers, to make them master trainer for conducting the training on millet recipes.

Padam Shri Sh. Nek Ram Sharma imparting training during the training program

Glimpses of different Trainings

HP Crop Diversification Promotion Project (JICA)

HP Crop Diversification Promotion Project (JICA) also sponsored one training programme for their staff at SAMETI. 24 number of officers participated in this two days workshop/ training programme.

Visit of Master Trainers on Natural Farming” in which 56 number of Scientists from ATARI Zone I and II are trained as master trainers on natural farming. Beside this SAMETI also organized trainings for consultants of PK3Y to know the impact of natural farming in the State and its benefits for the farming community.

National Level and MANAGE Sponsored Programs:

- A. **National Institute of Agricultural Extension Management (MANAGE) Hyderabad:** SAMETI Mashobra in collaboration with MANAGE Hyderabad organized training programs on online and off line mode for the officers of Agriculture and allied departments. During this year two number of training programs were organized on the topic “Five days Training cum Exposure

**Initiative under “Natural Farming” (as a center scheme)
in collaboration by MANAGE Hyderabad to get Master Trainers**

B. Diploma in Agricultural Extension Services for Input Dealers (DAESI):

The National Institute of Agricultural Extension Management (MANAGE) has developed a comprehensive one-year diploma course titled “Diploma in Agricultural Extension Services for Input Dealers (DAESI).” This program is specifically tailored to provide input dealers with the necessary agricultural education, customized to their respective locations. The aim is to empower these dealers with adequate knowledge to effectively serve as para-extension professionals, capable of addressing the daily challenges encountered by farmers at the grassroots level.

DAESI has been meticulously structured to ensure minimal disruption to the input dealers' regular business activities. The program spans 48 weeks, featuring 40 classroom sessions supplemented by 8 field visits. Importantly, all sessions are conveniently scheduled on Sundays or market holidays, allowing participants to balance their educational pursuits with

their business commitments seamlessly.

Through a combination of theoretical learning and practical exposure, DAESI equips input dealers with the skills and insights necessary to serve as valuable resources for farmers in their communities. By enhancing their understanding of agricultural practices, market dynamics, and rural development strategies, the program empowers participants to make meaningful contributions to the agricultural ecosystem while simultaneously advancing their own professional growth.

The National Institute of Agricultural Extension Management (MANAGE) has initiated this program in collaboration with State Agricultural Management and Extension Training Institutes (SAMETIs). In the year 2023-24, SAMETI Mashobra started five batches of input dealers in district Kangra (2 batches), Mandi, Una, and Sirmaur, with each batch comprising 40 participants.

C. Post Graduate Diploma in Agricultural Extension Management (PGDAEM):

Transforming subsistence agriculture into profitable agriculture is a great challenge before the extension functionaries in India. It is a well known fact that farmers' need for the latest knowledge has risen as the focus shifted from subsistence to profitable agriculture, where as, the knowledge of the public extension functionaries has not enhanced adequately due to their engagement in multifarious activities and lack of opportunities for knowledge and skill up gradation. As a result, the knowledge gap between the challenges ahead and existing capabilities among extension functionaries has been widened.

In order to bridge this ever increasing gap in knowledge, a Post Graduate Diploma in Agricultural Extension Management (PGDAEM) at MANAGE has been launched for the agricultural extension functionaries. It is expected that the diploma would create a professional cadre of farm advisors in the country who eventually would take forward the agenda of agricultural extension.

During the year 2023 – 24 one batch of PGDAEM having 16 number of candidates is completed.

D. Skill Training for Rural Youth (STRY):

Skill Training for Rural Youth is a flagship scheme of the Government. The Ministry of Agriculture & Farmers Welfare, Govt. of India, in compliance with National Policy on Skill Development & Entrepreneurship 2015, has taken the initiative to implement the skill development component, namely Skill Development of Rural Youth (STRY) under Sub Mission on Agricultural Extension (SMAE) of National Mission on Agricultural Extension & Technology (NMAET) during 2015-16 and remaining period of XII Plan.

STRY is aimed at imparting skill based training to rural youth on agri- based vocational areas in agriculture and allied areas to promote employment of rural area and creation of skilled manpower.

National institute of Agriculture Extension Management (MANAGE), Ministry of Agriculture and Farmer Welfare at national level coordinates through SAMETI to implement this scheme. During 2023-24 four number of trainings has been conducted on the following skilling areas:

Sr. No.	District Agency	Implementing	Skilling Area	No. of participants
1.	Chamba	ATMA	Natural Farming	15
2.	Kangra	FTC	Natural Farming	28
3.	Kangra	FTC	Natural Farming	15
4.	Kullu	Animal Husbandry	Cattle, Goat Sheep Rabbit and Pig Rearing	30

Other Department Trainings

Himachal Pradesh State Disaster Management Agency (HP SDMA) in collaboration with National Institute of Disaster Management (NIDM), Government of India Delhi

A. Training Programme on Child Centric Disaster Risk Reduction w.e.f. 11-14 December 2023 and 15 December, 2023.

B. Master Trainers on school safety programme for school teachers: under this program 4 number of trainings were organized in which 174 participants trained for eleven days.

State Rural Livelihood Mission (SRLM)-HP

Training Programme Mahila Kissan Dharti Ka Doctor Soil Testing Kit on Convergence with Patanjali w.e.f. 19-21 October, 2023. Total 8 number of training programs were organized in which 248 participants were trained.

Interaction of Smt. Kumad Singh I.A.S, Director of Agriculture H.P. with the participants

Glimpses of Trainings

Ayush Vibhag

The department of Ayurveda or AYUSH Vibhag organized 3 number of Induction training programme for newly recruited Ayurvedic Medical Officer (AMO's). In these trainings, 122 medical officers were trained and 244 training days were generated.

Exposure Visit of Scientists in the farmers field

SAMETI is frequently visited by the officers/farmers from various states of the country under various programmes and the inter-state visits under SSEPER schemes. This year the personalities from Ministry Govt. of India and officers & the farmers from the State of Haryana and Punjab visited the SAMETI for exposure visits.

Key information is also available on SAMETI website www.sametihp.com

Approved Annual Training Calendar of SAMETI, Mashobra for the year 2024-25

Training Need Assessment

To make the programme need based, due consideration is given to the training needs. Training needs are assessed time to time with stakeholders with due consideration to outcomes of Strategic Research & Extension Plans, Departmental activities

and feed back of the participants in training programmes. Major issues as well as training needs thus identified are prioritized in the Academic Committee meeting of SAMETI and annual action plan of SAMETI is formulated.
